Items Eligible for Consideration Recommendation for HB 1595 by Bohac

It is the recommendation of the LSG to **vote NO if there is a motion to concur with Senate amendments for HB 1595**. Portions of the amendment would allow the comparison of signatures and if they don't match then the vote could be cancelled. Voting by mail ballot generally is done by people who are older in age. Physical limitations or conditions could drastically change a person's signature from one election to the next. Signature analysis requires a great deal of training and those within the verification committee might not have the proper training to do with acceptable acumen.

Should you have any questions concerning this recommendation please contact the LSG at Ana@Texaslsg.org or 210-382-4295.
