Items Eligible for Consideration Recommendation for HB 21

It is the recommendation of the LSG to **vote no against any motions to concur with Senate amendments for HB 21**. The original bill left the house intending to be a good first step in addressing the ever-increasing disparities and financial needs of our public education system. Unfortunately, once the bill returned from the senate, it no longer reflected the original intent of the bill and now contains voucher provisions that will harm our public schools.

Should you have any questions concerning this recommendation please contact the LSG at Ana@Texaslsg.org or 210-382-4295.
