Dear LSG Members and Staff,

Provided in this floor report are bills from the 85th Regular Session that coincide with the Special Session Agenda set forth by Governor Abbott. While not all items on the Governor's call are included in this report; it does include analyses the LSG has opined on during the 85th Regular Session.

As always, we are dedicated to advancing good policy and ensuring that LSG members have the necessary information to make the most informed decision for Texas Families. As we progress through the Special Session we will continue to keep LSG members informed on the Special Session items.

We are proud to be a resource to the members and associate members of the LSG. Please call upon our office if we can help your office during this upcoming Special Session. We look forward to working with you and your staff on the priorities that impact all Texans and their families.

Respectfully,
