Amendment Floor Report for HB 1565 – Tuesday, April 20, 2021

Author: Paddie

Author	Analysis	Recommendation
<p>Paddie E870106</p>	<p>In the unamended version of HB 1565 the Texas Funeral Service Commission may not adopt a rule related to standards of practice, ethics, qualifications, or disciplinary sanctions unless the State Anatomical Advisory Committee proposes the rule. If the commission declines the proposed rule, they must return the rule with an explanation for the declination. This amendment strikes that provision and introduces a provision that will make the commission consider advice and recommendations from the advisory committee before adopting a rule relating to the same topics in the original provision. This amendment will give the commission greater flexibility in running their operations.</p>	<p><u>Favorable</u></p>
