<p><b>Huberty</b> E870305 PLANH2187</p>	<p>This amendment makes small changes to CSHB1 in most Harris County districts. The amendment does not create any new minority opportunity districts but makes changes that help maintain existing minority opportunity districts, but it fails to address serious voting rights concerns related to retrogression in HD 148.</p>	<p><b><u>Favorable with Concerns</u></b></p>

<b>Jetton</b> E870333 PLANH2241	This amendment impacts district 76 to district 26, by increasing the non-Anglo VAP percentage in district 26 but lowering it in HD 76.	<b><u>Will of the House</u></b>
<b>Jetton</b> E870334 PLANH2228	This amendment makes changes to Bexar county HD's 117, 118, 119, and 120. The amendment drastically drops the Hispanic VAP of HD 118 while unnecessarily shedding unnecessary population to the remaining 3 districts that are already strong minority opportunity districts.	<b><u>Unfavorable</u></b>
<b>Jetton</b> E870342 PLANH2240	This amendment makes drastic changes to the west of I-35 in Travis County. The amendment also includes Blanco, Burnet, Gillespie, and Kendall counties but they remain in HD 19. The amendment breaks up several communities of interest and pairs several incumbent members as well. Additionally, while the CSHB1 map attempts to pair the adjacent highland lakes communities of Travis county with similar rural counties, this amendment tries to crack the city of Austin.	<b><u>Unfavorable</u></b>
<b>Landgraf</b> E870311 PLANH2182	This amendment switches the Laredo Colombia Solidarity International Bridge from district 80 and places it in HD 42, which is wholly contained in Webb County.	<b><u>Favorable</u></b>
<b>Leach</b> E870349 PLANH2218	This amendment swaps precincts between HD 67 and the new HD 61 in Collin county. The effect of these swaps is the further dilution of the effectiveness of communities of color in Collin county.	<b><u>Unfavorable</u></b>
<b>Lozano</b> E870370 PLANH2261	This amendment makes major changes to Cameron county impacting HD's 35, 37, and 38. The amendment breaks up existing communities of interest. This amendment is the same as E870371.	<b><u>Unfavorable</u></b>

<b>Martinez Fischer</b> E870347 PLANH2209	This amendment makes changes to all 10 districts in Bexar county. The amendment makes electoral changes that benefit incumbents.	<b><u>Favorable</u></b>
<b>Moody</b> E870343 PLANH2231	This amendment keeps most of Ft. Bliss and the El Paso international airport in a district wholly within El Paso county.	<b><u>Favorable</u></b>

<p><b>Moody</b> E870344 PLANH2192</p>	<p>This amendment reflects population trends in El Paso Co. more fairly than CSHB1. This amendment retains HD 76 in El Paso county and adjusts other districts as needed to fit within the existing map. The 2020 census undercount has resulted in the loss of a Hispanic opportunity district along the border. Unfortunately, this amendment pairs two members from currently effective opportunity districts. However, this amendment better reflects population growth and removes the pairing of two El Paso representatives.</p>	<p><b><u>Favorable with Concerns</u></b></p>
<p><b>Moody</b> E870362 PLANH2108</p>	<p>This amendment is the same as E870310. It affects two districts in Hays Co. and proposes lines that better preserve communities, cities, and school districts. It moves Precinct 339, which contains part of the Wimberly Valley community, to HD 73. The rest of Wimberley Valley is located in HD 73. Additionally, this amendment breaks precinct 449, an overpopulated precinct, by following Highway 150 to make it easier for the public to understand who represents them.</p>	<p><b><u>Favorable</u></b></p>
<p><b>Muñoz</b> E870326 PLANH2232</p>	<p>This amendment is the same as E870348. This amendment makes slight tweaks to the 5 districts in Hidalgo County. Provided that local members agree, this amendment is favorable.</p>	<p><b><u>Will of the House</u></b></p>
<p><b>Murphy</b> E870303 PLANH2137</p>	<p>This amendment tries to further pack HD 137 by removing a precinct of color from 133 and adding it to 137.</p>	<p><b><u>Unfavorable</u></b></p>
<p><b>Oliverson</b> E870337 PLANH2252</p>	<p>This amendment swaps two precincts between 130 and 126 to reduce the non-Anglo VAP in District 126. Because 126 is barely above 50% non-Anglo VAP, minor reductions can impact the ability of communities of color to elect their candidate of choice.</p>	<p><b><u>Unfavorable</u></b></p>
<p><b>Ramos</b> E870351 PLANH2247</p>	<p>This amendment would draw the lines of Dallas County nearly identical to how they have been for the last decade in order to maintain communities of interest. Provided that local members agree, this amendment is favorable.</p>	<p><b><u>Will of the House</u></b></p>
<p><b>Rodriguez</b> E870314 PLANH2225</p>	<p>This amendment makes slight tweaks to the 5 districts in Travis County. The most significant changes happen in South Austin where changes are made to ensure communities of interest remain in their traditional districts. Provided that local members agree, this amendment is favorable.</p>	<p><b><u>Will of the House</u></b></p>
<p><b>Rose</b> E870329 TEXT</p>	<p>This amendment would prevent CSHB1 from going into effect until a federal district court determines that this bill would deny or abridge the right to vote based on race or color and complies with federal law. Considering Texas' history with not complying with the Voting Rights Act, this is necessary to ensure this bill does not have a discriminatory effect.</p>	<p><b><u>Favorable</u></b></p>
<p><b>Schofield</b> E870315 PLANH2215</p>	<p>This amendment changes the border between HD's 132 and 149 in Harris County. The changes are minor; however, the amendment also appears to make changes to 149's border with 131 but the changes to 131 are not shown in the amendment. This amendment removes communities of interest currently in HD 149.</p>	<p><b><u>Unfavorable</u></b></p>
<p><b>Schofield</b> E870316 PLANH2211</p>	<p>This amendment makes the same changes between the border of HD's 132 and 149 and the Schofield Amendment E870315. However, no changes are made to the 149/131 border. This amendment removes communities of interest currently in HD 149.</p>	<p><b><u>Unfavorable</u></b></p>

<p><b>Stucky</b> E870309 PLANH2197</p>	<p>This amendment makes changes to Denton County, swapping precincts between districts 64 and the newly drawn 57.</p>	<p><b><u>Will of the House</u></b></p>
<p><b>Talarico</b> E870366 PLANH2110</p>	<p>This amendment changes the 3 districts in Williamson County to retain important communities of interest and color under the existing redistricting plan to remain in HD 52, where they belong.</p>	<p><b><u>Favorable</u></b></p>
<p><b>Thierry</b> E870306 PLANH2185</p>	<p>This amendment swaps precincts between HD 146 and 131 to help restore the black population to the traditional Black opportunity district of 131 while maintaining HD 146 as a Black opportunity district.</p>	<p><b><u>Favorable</u></b></p>
<p><b>Thompson, Ed</b> E870312 PLANH2199</p>	<p>This amendment makes changes to southern Brazoria County, swapping precincts between districts 25 and 29. The changes are minor but because both districts' non-Anglo VAP is near 50%, minor changes can have an impact on the ability of communities of color to effectively elect a candidate of their choice.</p>	<p><b><u>Unfavorable</u></b></p>
<p><b>Tinderholt</b> E870367 PLANH2238</p>	<p>This amendment makes changes in Tarrant County, swapping precincts between HD's 92 and 94 and slightly increasing the non-Anglo VAP in HD 94.</p>	<p><b><u>Will of the House</u></b></p>
<p><b>Tinderholt</b> E870368 PLANH2246</p>	<p>This amendment makes changes in Tarrant County, swapping precincts between HD's 94 and 95 and slightly increasing the non-Anglo VAP in HD 94.</p>	<p><b><u>Will of the House</u></b></p>
<p><b>Turner, Chris</b> E870356 PLANH2243</p>	<p>This amendment affects all districts within Tarrant Co. to preserve minority opportunity districts in Tarrant Co. Provided that local members agree, this amendment is favorable.</p>	<p><b><u>Will of the House</u></b></p>
<p><b>Turner, Chris</b> E870357 PLANH2198</p>	<p>This amendment affects all districts within Tarrant Co. It preserves minority opportunity districts in Tarrant Co. Provided that local members agree, this amendment is favorable.</p>	<p><b><u>Will of the House</u></b></p>
<p><b>Turner, Chris</b> E870358 TEXT</p>	<p>This amendment is a list of House Districts that are protected under the Voting Rights Act of 1965 from retrogression. This will ensure that these protected districts are known and, if approved, would show that the legislature intends to comply with the Voting Rights Act.</p>	<p><b><u>Favorable</u></b></p>

<p><b>Walle</b> E870324 PLANH2127</p>	<p>This amendment is the same as E870364. This amendment is an alternate plan for Harris County. It better maintains communities of interest than CSHB1. It prevents retrogression by restoring the Black population of district 131 to 38.4% from 31.1% in CSHB1. It also restores the North Side precincts and Hispanic VAP of district 148, and retains 86.6% of its current population, while CSHB1 would have decrease the Hispanic VAP and retain only ret<math>\frac{1}{3}</math> of the district's current population.</p>	<p><b><u>Favorable</u></b></p>
<p><b>Walle</b> E870364 PLANH2127</p>	<p>This amendment is the same as E870324. This amendment is an alternate plan for Harris County. It better maintains communities of interest than CSHB1. It prevents retrogression by restoring the Black population of district 131 to 38.4% from 31.1% in CSHB1. It also restores the North Side precincts and Hispanic VAP of district 148, and retains 86.6% of its current population, while CSHB1 would have decrease the Hispanic VAP and retain only ret<math>\frac{1}{3}</math> of the district's current population.</p>	<p><b><u>Favorable</u></b></p>
<p><b>Wu</b> E870320 TEXT</p>	<p>This amendment will require the secretary of state to conduct a study to evaluate the impact of CSHB1 using an impact analysis on the CVAP of each racial and ethnic group. The study with recommendation would be submitted to state leadership, United State DOJ, and each Redistricting committee of the Texas senate and House of Representatives to provide a public record before the last day to file for the 2020 primary election. Considering Texas' history with racial discrimination related to redistricting maps this is reasonable and necessary.</p>	<p><b><u>Favorable</u></b></p>
<p><b>Zwiener</b> E870310 PLANH2108</p>	<p>This amendment is the same as E870362. It affects two districts in Hays Co. and proposes lines that better preserve communities, cities, and school districts. It moves Precinct 339, which contains part of the Wimberly Valley community, to HD 73. The rest of Wimberley Valley is located in HD 73. Additionally, this amendment breaks precinct 449, an overpopulated precinct, by following Highway 150 making it easier for the public to understand who represents them.</p>	<p><b><u>Favorable</u></b></p>
